

St. Paul Catholic School Volunteer Form
2017 - 2018

St. Paul Catholic School believes that the education of students is a partnership with families. We encourage family involvement through the Growing In Volunteer Excellence (GIVE) program. This program is an opportunity for each family to help in accomplishing a common goal - the preparation of students academically and spiritually for life's challenges. Each family is to complete 15 volunteer hours between June 1st and May 15th annually. Completing this form will allow us to identify opportunities that may be of interest to you. Thank you for sharing your time and talent!

Family Name: _____ Student's Grades(s): _____

Volunteer Name: _____

Address: _____
Street City State Zip Code
