

## Commitment Statement 2017-2018

We, the students, parents or guardians, faculty and administration of St. Paul School, do promise each other that we will place God before all others, and our neighbor before ourselves. We are a team committed to preparing ourselves/students academically and spiritually for life's challenges.

I agree, as a student, that I will do my best with the gifts God has given me. I will listen to my parents, teachers and administrators; and learn from them what they have to share with me. I will strive to do my work and study each night and turn my work in on time. I will abide by the student handbook and classroom rules. I will seek help when I need it. I will do my best to care for my classmates, teachers and administrators and treat them with the love and respect that they deserve, as a child of God.
