Find your household income at the left of the chart above. Move across on the same line to find the amount you currently give in the parish Sunday envelope. Move straight up the chart to find what percentage of your income your current gift to the parish represents.

Please consider pledging at the next level to the right. For example, if you are presently giving 2% to the parish, consider pledging 2.5% or even 3% now.

Consider setting your eventual goal at 10% (5% to the parish and 5% to other charities\*). It may take a few years to get there, but this is a worthy and rewarding goal for all on the road to discipleship.

\*You are asked to give an equal percentage to other charities. For example: if you are giving 5% to the parish, give an additional 5% to other charities for 10% total giving. Other charities might include: St. Paul Catholic School, St. Martin's, Pregnancy Help Center, Fruitful Harvest, United Way, Sisters of St. Joseph, etc.
